Adult Medicaid Dental Benefits for
Louisiana Healthcare Connections Members

Louisiana Healthcare Connections, in partnership with Envolve Dental, is redesigning the adult dental value-add benefit for its more than 180,000 Medicaid members age 21+. Envolve Dental is a dental benefit manager dedicated to improving the oral health of our community one smile at a time.

Later this year, Louisiana Healthcare Connections' adult members will enjoy comprehensive dental benefits from Envolve Dental that include:

- Bi-annual dental exams and cleanings
- One set of preventive x-rays (up to four bitewing x-rays) annually
- One whole mouth set of x-rays every three years
- Restorative services - resin and amalgams only
- Simple extractions
- $500 maximum annual benefit limit

Participating Provider Benefits
- Timely claims payments
- Detailed provider education and orientation
- Electronic transaction options
- Interactive web-based tools to ease administrative hassles

State of the Art Web Solutions
- Verify member eligibility
- Confirm patient treatment history
- Submit claims, authorizations, and electronic documents online
- Stay up-to-date through provider web portal communications

Please consider contracting with Envolve Dental to continue providing essential dental care to adult Medicaid members in Louisiana. For questions regarding the contracting and credentialing process, contact our Envolve Dental contracting team at 855-688-6589 or DentalContracting@EnvolveHealth.com.
