

# Preferred Partnership

## A RELIABLE OPTION FOR LTAC AND REHABILITATION REFERRALS

Louisiana Healthcare Connections has partnered with **Sage Rehabilitation Hospital** and **Sage Specialty Hospital** to offer community-based rehabilitation and restorative care for our members. This partnership means when restorative rehabilitation or long-term acute care is appropriate, hospital discharge planners, case managers, and our members will have a reliable provider to call, without searching or delays.

## REHABILITATION AND RESTORATION CENTERS

### ABOUT SAGE SPECIALTY HOSPITAL (LTAC)

Sage Specialty Hospital offers patients with complex medical conditions the continued intensive medical care they need when discharged from a traditional acute care hospital but need additional time to recover before they can go home or be admitted to a rehabilitation hospital or skilled nursing facility.

- Complex Wound Care
- Ventilator & Respiratory Care
- Long-Term IV Therapies
- Complex Infectious Conditions
- Head & Spine Injury Care
- Cardiac & Neurovascular Care
- Multi-System Organ Failure
- Post-Surgical Complications

### ABOUT SAGE REHABILITATION HOSPITAL

Sage Rehabilitation Hospital offers intensive, comprehensive and goal directed programs, utilizing a team of rehabilitation specialists to guide patients along a practical and individualized treatment pathway designed to maximize functional independence.

- |  |   |
|--|---|
| § Cerebral Vascular Accident/Stroke  | § Burns   |
| § Hip Fracture   | § Brain Injury  |
| § Total Joint Replacement (Hip, Knee, etc.)                                  | § Spinal Cord Injury  |
