

Payment Policy: Multiple CPT Code Replacements

Reference Number: CC.PP.033

Product Types: ALL

Effective Date: 01/01/2014

Last Review Date: 04/01/2019

[Coding Implications](#)

[Revision Log](#)

See [Important Reminder](#) at the end of this policy for important regulatory and legal information.

Policy Overview

When a single, more comprehensive procedure code exists to describe a service, the single more comprehensive code should be used versus multiple CPT codes. This is known as unbundling. The health plan will not reimburse the multiple procedure codes, but instead will make a recommendation to reimburse the single, most comprehensive code. This determination is based on the CPT code description for each code billed.

Application

- Professional claims
- Same provider
- Within the same claim
- Claims with the same date of service
- Will review historical claims

Reimbursement

The health plan's code editing software will identify when two or more codes have been billed to represent a service, instead of the single, most comprehensive code. The following claims processing scenarios will occur based on how the services were billed:

Examples

Multiple component codes billed on claim instead of the most comprehensive code, 85027:

	DOS	Procedure Code	Quantity	Charge Amount	Allow Amount	Deny Amount	Pay	Ex code
200	5/3/2016	85014	1	\$9.69	\$3.50	\$3.50	\$0.00	xa
300	5/3/2016	85018	1	\$9.69	\$3.50	\$3.50	\$0.00	xa
400	5/3/2016	85041	1	\$11.79	\$5.50	\$5.50	\$0.00	xa
500	5/3/2016	85048	1	\$10.38	\$4.50	\$4.50	\$0.00	xa
600	5/3/2016	85049	1	\$18.33	\$12.25	\$12.25	\$0.00	xa
↓Added Line				\$59.88	\$29.25	\$29.25		
700	5/3/2016	85027	1	\$59.88	\$8.51	\$0.00	\$8.51	92

PAYMENT POLICY
Multiple CPT Code Replacement

CPT Code	Description
85014	Blood Count; Hematocrit (HCT)
85018	Blood Count; Hemoglobin (HGB)
85041	Blood Count, Red Blood Cell (RBC), Automated
85048	Blood Count, Leukocyte (WBC), Automated
85049	Blood Count; Platelet, Automated
85027	Blood Count; Complete (CBC), Automated, (HGB, HCT, RBC, WBC and Platelet Count

The following automated steps were taken to correct the claim and reimburse the provider correctly:

1. The health plan’s automated code editing software analyzed each service line, the CPT code billed and its description.
2. A total of 5 component codes were billed on service lines 0200-0600.
3. The software analyzed the service lines and determined that the most comprehensive CPT code had not been billed (85027).
4. The software denied each component service line with the ex “xa”
5. As a service to the provider, the software added a new service line to reflect the most comprehensive code.
6. Total billed charges for the component codes is \$59.88
7. The total denied amount for the component codes is \$29.25
8. The total allowed amount for the most comprehensive code, 85027 is \$8.51
9. Total cost avoidance = \$20.74.

This edit does not change how a provider originally billed, but instead, as a service to the provider, adds a new service line with the correct, payable quantity. All originally billed service lines remain on the claim.

Multiple component codes billed AND the most comprehensive code is billed:

	DOS	Procedure Code	Quantity	Charge Amount	Allow Amount	Deny Amount	Pay	Ex code
200	5/3/2016	85014	1	\$9.69	\$3.50	\$3.50	\$0.00	xa
300	5/3/2016	85018	1	\$9.69	\$3.50	\$3.50	\$0.00	xa
400	5/3/2016	85041	1	\$11.79	\$5.50	\$5.50	\$0.00	xa
500	5/3/2016	85048	1	\$10.38	\$4.50	\$4.50	\$0.00	xa
600	5/3/2016	85049	1	\$18.33	\$12.25	\$12.25	\$0.00	xa
700	5/3/2016	85027	1	\$59.88	\$8.51	\$0.00	\$8.51	92

In the above example, all component service lines are denied with the ex “xa” however, the most comprehensive code billed on service line 0700 is paid. The allowed amount is \$8.51.

PAYMENT POLICY

Multiple CPT Code Replacement

Additional Information

Some health plan provider fee schedules are reimbursed at a rate lower than allowed for the most comprehensive code, in these instances, the provider or health plan will be excluded from the edit logic.

Definitions

1. **Unbundling:** Coding two or more bundled procedures separately instead of the single, most comprehensive code. This practice results in incorrect provider payments.
2. **Bundled procedures:** Procedures that are included as part of a more extensive procedure.

Important Reminder

For the purposes of this payment policy, “Health Plan” means a health plan that has adopted this payment policy and that is operated or administered, in whole or in part, by Centene Management Company, LLC, or any other of such health plan’s affiliates, as applicable.

The purpose of this payment policy is to provide a guide to payment, which is a component of the guidelines used to assist in making coverage and payment determinations and administering benefits. It does not constitute a contract or guarantee regarding payment or results. Coverage and payment determinations and the administration of benefits are subject to all terms, conditions, exclusions and limitations of the coverage documents (e.g., evidence of coverage, certificate of coverage, policy, contract of insurance, etc.), as well as to state and federal requirements and applicable plan-level administrative policies and procedures.

This payment policy is effective as of the date determined by Health Plan. The date of posting may not be the effective date of this payment policy. This payment policy may be subject to applicable legal and regulatory requirements relating to provider notification. If there is a discrepancy between the effective date of this payment policy and any applicable legal or regulatory requirement, the requirements of law and regulation shall govern. Health Plan retains the right to change, amend or withdraw this payment policy, and additional payment policies may be developed and adopted as needed, at any time.

PAYMENT POLICY

Multiple CPT Code Replacement

This payment policy does not constitute medical advice, medical treatment or medical care. It is not intended to dictate to providers how to practice medicine. Providers are expected to exercise professional medical judgment in providing the most appropriate care, and are solely responsible for the medical advice and treatment of members. This payment policy is not intended to recommend treatment for members. Members should consult with their treating physician in connection with diagnosis and treatment decisions.

Providers referred to in this policy are independent contractors who exercise independent judgment and over whom Health Plan has no control or right of control. Providers are not agents or employees of Health Plan.

This payment policy is the property of Centene Corporation. Unauthorized copying, use, and distribution of this payment policy or any information contained herein are strictly prohibited. Providers, members and their representatives are bound to the terms and conditions expressed herein through the terms of their contracts. Where no such contract exists, providers, members and their representatives agree to be bound by such terms and conditions by providing services to members and/or submitting claims for payment for such services.

Note: For Medicaid members, when state Medicaid coverage provisions conflict with the coverage provisions in this payment policy, state Medicaid coverage provisions take precedence. Please refer to the state Medicaid manual for any coverage provisions pertaining to this payment policy.

Note: For Medicare members, to ensure consistency with the Medicare National Coverage Determinations (NCD) and Local Coverage Determinations (LCD), all applicable NCDs and LCDs should be reviewed prior to applying the criteria set forth in this payment policy. Refer to the CMS website at <http://www.cms.gov> for additional information.
